

Great Lakes Hemophilia Foundation's

April 28-29, 2018

Camp Klotty Pine | Wautoma, WI

Family Camp is designed to prepare families that have a child living with a bleeding disorder for the summer camp experience. At summer camp children begin to gain independence through self-infusions and care, learn new skills, engage in healthy lifestyle activities and bond with other children facing the same issues they do.

## about camp

Family Camp will take place at Camp Klotty Pine in Wautoma, WI. At Family Camp you will experience a variety of activities like canoeing, fishing, archery, campfires and hiking among the beautiful pine trees on Little Hills Lake.

For a true camp experience, families will stay in cabins with shared sleeping arrangements and access to the camp bath house. Cabins are comfortable and family friendly.

## families

### **Family Camp is designed for:**

Although programs are most suitable for children ages 5-9 living with a bleeding disorder, ALL families are invited to attend. This includes new camp families and those that have attended Family Camp or summer camp in the past.

Families looking to get away from the hustle and bustle of life and spend quality time as a family amongst their peers in the bleeding disorders community.

## registration

A registration fee of \$40 per family includes; lodging, meals, and weekend activities. Refunds will only be given if cancellation is made prior to April 13. There may be a waiting list so please allow time to notify a replacement family.

A limited amount of space is available for this weekend, so reserve your spot today!
