

The mission of Camp Klotty Pine is to enhance the lives of children affected by a bleeding disorder by providing life-changing camp experiences that are exciting, empowering and educational, in a physically safe and medically sound environment.

At camp, children develop confidence and independence while building life-long friendships and shared memories. Camp is also a place of encouragement, mentoring, and education for kids learning to self-infuse and enhance their role in self-care, a skill essential for life.

TODAY'S CARE, TOMORROW'S CURE.

ABOUT CAMP

Camp Klotty Pine is held in Wautoma, Wisconsin at the Camp Lakotah facility. Camp activities include: swimming, canoeing, nature hikes, outdoor skills, campfires, laser tag, team building and infusion education. Camp is Monday, July 9 through Saturday, July 14.

WHO CAN COME?

Camp Klotty Pine is designed for:

- Children ages 7-15 living with a bleeding disorder.*
- Children ready for the overnight independent camp experience.
- Children who want to connect with other children in the bleeding disorders community.
- Children who are ready to learn about or take the first steps toward self-care and self infusion.

**GLHF will work to accommodate campers requiring additional support beyond their bleeding disorder when reasonable.*

REGISTER

Register by June 30.

GLHF offers **Camperships** for children living in Wisconsin, or receiving care from a WI Hemophilia Treatment Center. Camperships allow children to attend camp at a significantly waived, or reduced cost. If cost is a barrier to your child's attendance at camp, please contact GLHF to apply. The cost is \$500 per camper if NOT applying for a campership.

Please contact Karin Koppen, Camp Director at 414.937.6782 with any questions.
