

AUGUST 5-10, 2019

The mission of Great Lakes Hemophilia Foundation's Camp Klotty Pine is to enhance the lives of children affected by a bleeding disorder by providing life-changing camp experiences that are exciting, empowering and educational, in a physically safe and medically sound environment.

ABOUT CAMP

New in 2019, Camp Klotty Pine returns to where it all began, Camp Turning Rivers (formerly YMCA Camp Matawa) in Campbellsport, WI. Camp is nestled in the rolling hills of the Kettle Moraine State Forest at a beautiful facility owned by the Wisconsin Department of Natural Resources. The property is adjacent to the Milwaukee River and surrounded by hundreds of wooded acres making it a perfect setting for Camp Klotty Pine.

CAMPERS

Camp Klotty Pine is designed for:

- Kids ages 7-15 living with a bleeding disorder.
- Kids ready for the overnight independent camp experience.
- Kids who want to connect with others in the bleeding disorders community.
- Kids who are ready to learn about or take the first steps toward self-care and self infusion.

REGISTER

Please contact GLHF, or your Hemophilia Treatment Center, for registration instructions. **Registration is due on July 15.**

CAMPERSHIPS

At GLHF we understand that families have different abilities to invest in camp. Because of this, we offer camperships with a voluntary price option after application approval. Choose the fee option that works best for your family. All campers receive the same high quality camp experience.

Please contact Karin Koppen, Camp Director at 414.937.6782 with any questions.
