

# Donor & Tribute Gifts

OCTOBER 1, 2018 - SEPTEMBER 30, 2019

In the last year, you have given patients and their families the chance for a life with fewer limitations. While we continually set new standards of excellence for the resources and services that we deliver, we are humbled by the support of our generous community of supporters who make this possible. Wherever you made an investment in GLHF, you can be confident that your gift has made a positive impact. You have improved the lives of patients and families managing their bleeding disorders. Thank you!
