Welcome to Camp Klotty Pine!

Dear Caregivers and Campers:

I am so thrilled that you have chosen to join us for the BEST WEEK EVER! Whether you are a new, or returning, camp family we hope that you are as excited about the summer as we are!

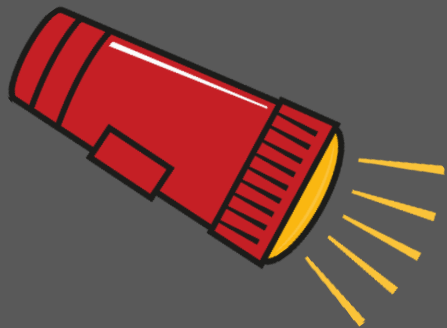

Each year we give campers wonderful experiences based on the following:

- Providing an atmosphere that is physically and emotionally safe for campers
- Ensuring that our staff are well-trained, mature, and are role models for your camper(s)
- Offering a wide-variety of activities that push your camper(s) to develop skills and friendships
- A place to openly share about their experiences living with a bleeding disorder
- Creating fun and positive experiences that will last a lifetime

I hope that you will partner with us to ensure that this is a successful experience for your camper(s). Please read this parent/camper handbook. It will answer many of your questions concerning your campers' upcoming week at Camp Klotty Pine. Please reach out with any questions.

We look forward to seeing you at Camp Klotty Pine this summer!

Best,
Karin Koppen, Camp Director

Camp Klotty Pine's mission is to enhance the lives of children affected by a bleeding disorder by providing life-changing camp experiences that are exciting, empowering and educational, in a physically safe and medically sound environment.

About Camp Klotty Pine

Camp Klotty Pine creates magical, life-changing experiences for children living with a bleeding disorder. At camp, children develop confidence, independence and build life-long friendships and memories while they swim, canoe, hike, play laser tag and learn outdoor skills. Camp is also a place of encouragement, mentoring, and education for kids learning to self-infuse and enhance their role in self-care, a skill essential for life.

Camp Klotty Pine is designed for:

- Children ages 7-15 living with a bleeding disorder
- Children ready for the overnight, independent camp experience
- Children who want to connect with other children in the bleeding disorders community
- Children who are ready to learn about, or take, the first steps toward self-care and self-infusion

Location

Camp Turning Rivers
N885 Youth Camp Road
Campbellsport, WI 53010

Nestled in the rolling hills of the Kettle Moraine State Forest, the Turning Rivers facility is the ideal place for summer camp. Turning Rivers is a beautiful facility owned by the Wisconsin Department of Natural Resources that is adjacent to the Milwaukee River and surrounded by hundreds of wooded acres.

The facility includes 8 modern cabins that can house over 200 people, a Dining Hall, main lodge, swimming pool with water slide, Alpine Tower, Sport-Court, 175-foot slip n' slide, vast recreational areas and more.

Camp Contact Information

The Camp Klotty Pine director is available to answer questions about the program or any concerns you may have. We know communication is important and understand that your camper is your number one priority. Therefore, please feel free to call us anytime by phone or email.

GENERAL CAMP INFORMATION

Behavior Expectations

Attending Camp Klotty Pine is a privilege that you have chosen for your camper(s). It is our intention to provide positive, Klotty Pine has a strict policy regarding bullying. The atmosphere that is created at camp is intended to make all of our campers feel both physically and emotionally safe. Please carefully read and sign the Behavior Agreement found in your registration regarding these issues to help ensure an enjoyable experience for your camper(s) and others.

Camp Store

Food, snacks, and camp swag is all provided by Camp Klotty Pine, making a camp store unnecessary. No need to send money.

Campers with Special Needs

Camp Klotty Pine strives to offer a positive experience for campers of varying abilities within our available resources. In order to provide the most successful experience for your camper, please contact Karin Koppen, two weeks prior to camp, if your camper has special needs and may require additional staff or if you have questions or concerns. We will accommodate when resources allow.

Care Packages

Please do not to send along or mail care packages to camp.

GENERAL CAMP INFORMATION, CONTINUED...

Home Sickness

Going away to camp can be a challenging experience for a child of any age. Short term separation from parents and learning independence are important parts of growing up. Some children have difficulty coping with the challenges that come with going away to camp. This anxiety is perfectly normal and is common.

Talking with your camper prior to camp lets them know you have confidence in their ability to cope with the new camp lifestyle. Focus on the positive aspects of camp, including making new friends, exciting activities and how proud you will be when they succeed. Once at camp, our staff applies the best homesick cure known: We keep campers busy having fun with their new friends, they have little time to be homesick!

Inclusion Statement

Inclusion at Camp Klotty Pine means each person feels welcomed, accepted, respect, supported, safe, involved, and valued. Camp Klotty Pine affirms and promotes participation in all of its activities across all dimensions of diversity included; but not limited to: race, color, sex, disability, sexual orientation, gender identity or expression, age, or national origin, and without requiring adherence to any religious belief or creed. The foregoing shall apply to all camp activities and inform all of its decisions, including with respect to its campers, volunteers, staff, and etc.

LIT Program

The Leaders In Training (LIT) schedule will vary slightly from the general camper schedule. LITs work alongside their assigned counselors throughout the week to help facilitate programming and aide in general camp operations. In the evening LITs will focus on skill development, daily evaluations, and reflections.

It is our goal that these service learning opportunities will prepare the LITs to be a counselor one day.

For questions about the LIT Program or your LIT the week of camp, please contact Kailee Frederick at 414.937.6784.

GENERAL CAMP Information, Continued...

Meals/Snacks

Balanced meals are planned and served by the food service staff. Campers will eat family style with cabin groups. Note: To help ensure that we are able to meet your child's needs, if your camper is a vegetarian or has special dietary restrictions, please include this information in their registration. Snacks will be offered to campers mid-afternoon and evening programs.

Peanuts are not used in any of our meals or desserts due to high number of peanut allergies

Photographs/Social Media

Photos and a daily update will be posted on the Great Lakes Hemophilia Foundation facebook page each night. Like us at [facebook.com/wiblooddisorder/](https://www.facebook.com/wiblooddisorder/) to follow along. Although we take a good deal of photos, there is no guarantee of a photo of every child being posted every day.

Staying In Touch With Your Camper(s)

We encourage letters from you as the best way of communicating with your camper. Positive, supportive letters let your camper hear from you in a constructive way. You may want to send a letter a few days prior to the session to ensure it is received while your camper is at camp. You may also give to Camp Director at check in. Campers are encouraged to reply by writing letters. We suggest that campers bring paper and pre-addressed stamped envelopes.

Letters: Camper Name, Camp Klotty Pine
N885 Youth Camp Road
Campbellsport, WI 53010

Medications

Health Lodge

Camp maintains a 24-hour Health Lodge, staffed by nurses and on site, or on call, hematologists from the Wisconsin Hemophilia Treatment Centers. The Health Lodge is stocked with standard first aid and medical supplies (Tylenol, Advil, Throat Lozenges, Band-Aids, etc.). Please do not send those types of medical supplies with your child to camp. If you are unsure of whether certain medications will be available, call your HTC to discuss with your nurse.

Insurance

The camp does not carry a health and accident insurance policy on campers. Any illness or injury requiring the services of local physicians, and/or hospital, or prescription must be covered by parent's/guardian's medical insurance, or by the parent/guardian themselves.

Medications at Camp

Your child should bring enough of all prescription medications that he/she will need to take while at camp for the entire session. We will collect, and review, your child's medications, doses, non hemophilia medication instructions, and schedule with you at the check-in table as you arrive to camp or before boarding bus. These medications need to be in their original prescription bottles. Please do not send non prescription medications to camp, if you believe your child needs an over the counter medication while at camp please consult your HTC.

Please bring an enough factor with you to the check-in table for your child's scheduled doses at camp. **Campers on prophylaxis should have the doses needed for the length of camp plus two additional doses. Campers on demand treatment should bring at least two treatments to camp and also consult their HTC physician.** Please do not pack the factor in your child's luggage. The factor should be given to the health lodge staff at check-in. Infusion supplies will be provided by camp.

Note: The Camp Nurse cannot dispense any medications which are not in properly labeled original prescription vials or boxes. Medications must be turned over to the Camp Nurse upon arrival. All unused medications will be returned at the end of the session.

Camp and Covid-19

We will continue to monitor the latest recommendations by the CDC, American Camping Association, and local health authorities. If our leadership team determines it is necessary to increase precautions, we will notify each family in writing of these changes. We ask you to please remember that the pandemic continues to be an evolving situation and we prioritize the safety of our camp community as a whole above all else.

At this time camp does not have a mask or vaccination requirement.

Camp Klotty Pine, Key Value:

Independence

Our campers participate in bleeding disorders education throughout the week. Skilled Hemophilia Treatment Center staff meet each camper at their own unique skill level working with them on infusions and self care. Summer camp is the first step to independence for many campers!

Camp Klotty Pine, Key Value:

Fun

Camp Klotty Pine, Key Value:

Friendship

Camp Klotty Pine, Key Value:

Safety

Nothing is more important than the physical and emotional safety of the children in our care. Camp staff undergoes training in CPR, First Aid, building emotional safety for children, preventing bullying, and more.

There are 1-3 Hemophilia Treatment Center nurses on site at all times and a hematologist on call. Local hospital and EMS are notified of our campers needs in advance.

Camp Klotty Pine is hosted at an American Camp Association accredited facility, which requires compliance with over 300 health, safety, and program quality standards.

Camp Bus

GLHF Camp Busses are available from several locations based on camper interest. Typical locations include; Milwaukee, Madison and Green Bay. Campers will go through their medical check in prior to boarding bus.

Caregiver

Drop off/Pick Up

Campers being dropped off and picked up directly at camp will be assigned drop off times after registering to make check in run as quickly as possible. Campers will be check in and have a lice check before caregivers leave camp.

Registration

Camp Klotty Pine uses the CampDoc online registration system. Please visit GLHF.org, or call us for registration instructions.

Karin Koppen

Director of Camp and Community Outreach

kkoppen@glhf.org
